

Store profits line graph

Data and Graphing Worksheet

Ken recorded his mini shop earnings over a 6-month period.
Make a line graph from the data. Write a title, label the two axes
and make an appropriate scale.

Month	March	April	May	June	July	August
Profits	\$250	\$200	\$300	\$450	\$350	\$500

Title: _____
