

Circles - circumference

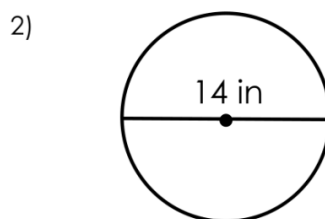

Find the circumference, diameter, or radius of the circles.

Diameter: 36 ft

Radius: _____

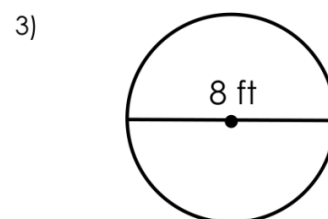

Circumference: _____

Diameter: 14 in

Radius: _____

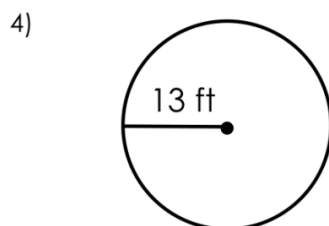

Circumference: _____

Diameter: 8 ft

Radius: _____

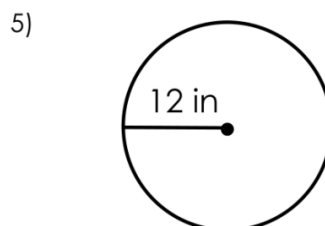

Circumference: _____

Diameter: _____

Radius: 13 ft

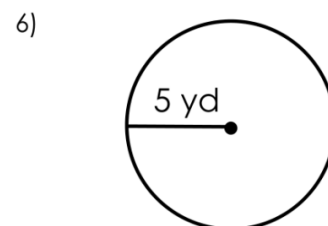

Circumference: _____

Diameter: _____

Radius: 12 in

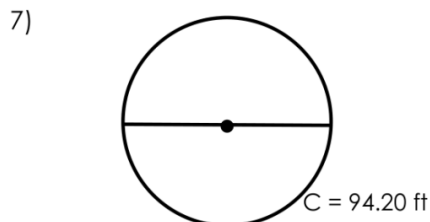

Circumference: _____

Diameter: _____

Radius: 5 yd

Circumference: _____

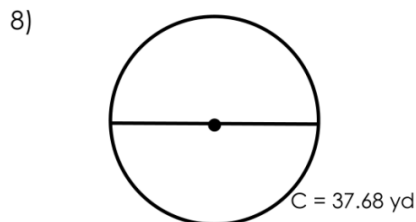

Diameter: _____

Radius: _____

Circumference: _____

94.20 ft

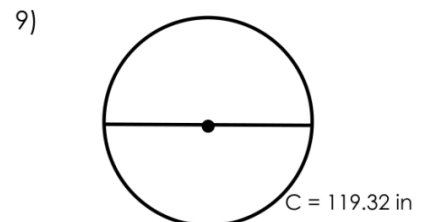

Diameter: _____

Radius: _____

Circumference: _____

37.68 yd

Diameter: _____

Radius: _____

Circumference: _____

119.32 in
