How Bees Make Honey

WISDOM

Hard work and teamwork turn simple things into something precious.

preceptor reads aloud

DO THIS

► Read the passage carefully.

READ · read carefully — you will answer questions about this

Bees work together to make honey. They visit many flowers and drink the sweet juice. They bring it home to their hive. Inside the hive, bees pass the juice from bee to bee. They mix it with special powder from flowers. Then bees fan their wings very fast. The juice becomes thick and golden. When it is ready, bees seal it in small rooms. Now they have honey to eat all winter long.

How Bees Make Honey

WISDOM

Hard work and teamwork turn simple things into something precious.

preceptor reads aloud

DO THIS

► Find the lesson, and why the author wrote this.

THE LESSON • what can we learn from this passage?

What happened?

What did the character learn?

What lesson can apply to me?

WHY DID THE AUTHOR WRITE THIS? • circle one

☐ inform☐ entertain☐ explain☐ persuade☐ describe

WRITE • The lesson of this passage is _____.
