READ • read carefully — you will answer questions about this

- 1 Emma planted seeds in her garden on a warm spring day. Her mom helped her dig the soil and water the seeds. Emma was so excited to see flowers and vegetables grow.
- 2 Every morning, Emma went to check on her garden. She watered the seeds and pulled out weeds. Some days, nothing seemed to happen. Emma wanted to see green plants right away, but her mom said, "We must be patient. Good things take time."
- 3 Two weeks passed. Then Emma saw a tiny green sprout pushing through the soil! More sprouts came up each day. Emma's patience had paid off. Soon her garden was full of colorful flowers and fresh vegetables. Emma learned that waiting can bring wonderful surprises.
