

MATCH & DRAW

Match Equations to Answers

Objective: *Draw a line from each one on the left to its match on the right.*

DO THIS Draw a line to match each one on the left to the right.

HOW TO MATCH Find the pair, then draw a line.

Each one on the left has exactly one match on the right.

DRAW THE LINES Connect each pair.

$$95 - 80 = \bullet \quad \bullet \quad 33$$

$$79 - 50 = \bullet \quad \bullet \quad 15$$

$$68 - 35 = \bullet \quad \bullet \quad 29$$

$$42 - 12 = \bullet \quad \bullet \quad 30$$

$$84 - 45 = \bullet \quad \bullet \quad 39$$
