

MATCH & DRAW

Match Equations to Answers

Objective: Draw a line from each one on the left to its match on the right.

DO THIS Draw a line to match each one on the left to the right.

HOW TO MATCH Find the pair, then draw a line.

Each one on the left has exactly one match on the right.

DRAW THE LINES Connect each pair.

$$55 - 38 = \bullet \quad \bullet \quad 50$$

$$85 - 35 = \bullet \quad \bullet \quad 53$$

$$78 - 15 = \bullet \quad \bullet \quad 63$$

$$96 - 17 = \bullet \quad \bullet \quad 79$$

$$61 - 8 = \bullet \quad \bullet \quad 17$$
