

Name: _____

MATCH & DRAW

Match Equations to Answers

Objective: Draw a line from each one on the left to its match on the right.

DO THIS Draw a line to match each one on the left to the right.

HOW TO MATCH Find the pair, then draw a line.

Each one on the left has exactly one match on the right.

DRAW THE LINES Connect each pair.

$$91 - 31 = \bullet \quad \bullet \quad 14$$

$$97 - 7 = \bullet \quad \bullet \quad 13$$

$$49 - 36 = \bullet \quad \bullet \quad 43$$

$$51 - 37 = \bullet \quad \bullet \quad 60$$

$$46 - 3 = \bullet \quad \bullet \quad 90$$
