

## SPIN & SOLVE

Spin, then Add

Objective: *Spin a number, write it in, and solve.*

**DO THIS** Spin a number. Write it in the box and add.

**THE SPINNER** Use a pencil and a paperclip to spin.

Hold a paperclip at the center with a pencil. Flick it to spin!

**SPIN AND SOLVE** Spin, write the number, and add.

1  $9 + \square = \square$

2  $9 + \square = \square$

3  $9 + \square = \square$

4  $9 + \square = \square$

5  $9 + \square = \square$
