

Name: _____

MATCH & DRAW

Match Equations to Answers

Objective: Draw a line from each one on the left to its match on the right.

DO THIS Draw a line to match each one on the left to the right.

HOW TO MATCH Find the pair, then draw a line.

Each one on the left has exactly one match on the right.

DRAW THE LINES Connect each pair.

$$61 - 3 = \bullet \quad \bullet \quad 44$$

$$78 - 54 = \bullet \quad \bullet \quad 39$$

$$59 - 15 = \bullet \quad \bullet \quad 58$$

$$85 - 46 = \bullet \quad \bullet \quad 24$$

$$44 - 23 = \bullet \quad \bullet \quad 21$$
