

COUNT AND GRAPH

TALLY • GRAPH • INTERPRET

Count the data. Make the graph. Then answer the questions.

1 Count the data

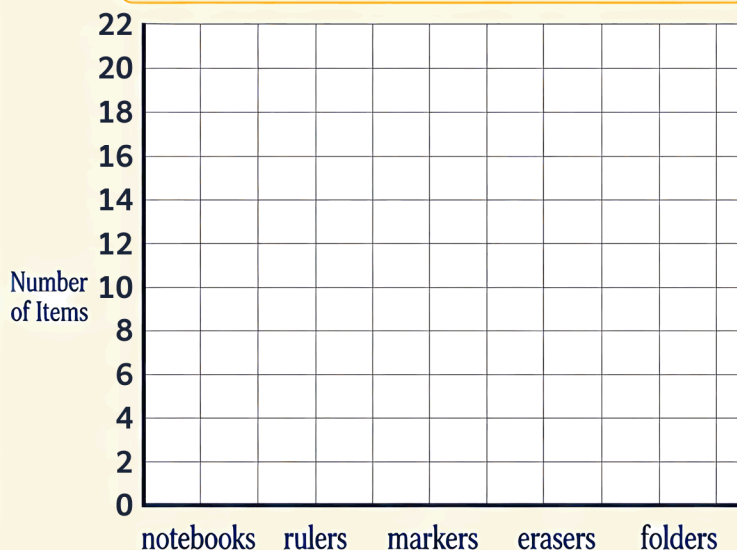

Count the tally marks. Then write the total.

Item	Tally	Total
 notebooks		
 rulers		
 markers		
 erasers		
 folders		

2 Make the graph

Use your data to make a bar graph. Give the graph a title.

Title: _____

3 Read the graph

Use your graph to answer the questions.

1. Which item has the most? _____

2. Which item has the least? _____

3. How many rulers are there?

4. How many more notebooks than erasers?

4 Write about it

Look at your graph. Write three sentences about what you found.

- _____
- _____
- _____

Trust in the LORD
with all thine heart.
Proverbs 3:5
