

Name: _____

MATCH & DRAW

Match Equations to Answers

Objective: Draw a line from each one on the left to its match on the right.

DO THIS Draw a line to match each one on the left to the right.

HOW TO MATCH Find the pair, then draw a line.

Each one on the left has exactly one match on the right.

DRAW THE LINES Connect each pair.

$$92 - 86 = \bullet \quad \bullet \quad 3$$

$$95 - 92 = \bullet \quad \bullet \quad 6$$

$$56 - 53 = \bullet \quad \bullet \quad 10$$

$$53 - 44 = \bullet \quad \bullet \quad 3$$

$$56 - 46 = \bullet \quad \bullet \quad 9$$
