

Name: _____

MATCH & DRAW

Match Equations to Answers

Objective: Draw a line from each one on the left to its match on the right.

DO THIS Draw a line to match each one on the left to the right.

HOW TO MATCH Find the pair, then draw a line.

Each one on the left has exactly one match on the right.

DRAW THE LINES Connect each pair.

$$93 - 73 = \bullet \quad \bullet \quad 62$$

$$53 - 11 = \bullet \quad \bullet \quad 52$$

$$74 - 12 = \bullet \quad \bullet \quad 20$$

$$96 - 7 = \bullet \quad \bullet \quad 89$$

$$75 - 23 = \bullet \quad \bullet \quad 42$$
