It is Christmas! Sam is helping his sister Ashley to decorate the family room. The ceiling of the family room is 96 inches high.

1. Ashley bought a new Christmas tree, and it is 75 inches tall. The height of the old Christmas tree is 68 inches. How much taller is the new Christmas tree?
2. The star at the top of the Christmas tree is 8 inches tall. What is the height of the new Christmas tree after the star is put at the top?
3. Can the new Christmas tree with the star at the top fit in the family room?
