

Name: _____

MATCH & DRAW

Match Equations to Answers

Objective: Draw a line from each one on the left to its match on the right.

DO THIS Draw a line to match each one on the left to the right.

HOW TO MATCH Find the pair, then draw a line.

Each one on the left has exactly one match on the right.

DRAW THE LINES Connect each pair.

$$70 - 34 = \bullet \quad \bullet \quad 36$$

$$97 - 59 = \bullet \quad \bullet \quad 13$$

$$40 - 33 = \bullet \quad \bullet \quad 7$$

$$97 - 61 = \bullet \quad \bullet \quad 36$$

$$48 - 35 = \bullet \quad \bullet \quad 38$$
