

Name: _____

MATCH & DRAW

Match Equations to Answers

Objective: *Draw a line from each one on the left to its match on the right.*

DO THIS Draw a line to match each one on the left to the right.

HOW TO MATCH Find the pair, then draw a line.

Each one on the left has exactly one match on the right.

DRAW THE LINES Connect each pair.

$$73 - 40 = \bullet \quad \bullet \quad 33$$

$$100 - 56 = \bullet \quad \bullet \quad 38$$

$$48 - 12 = \bullet \quad \bullet \quad 44$$

$$100 - 62 = \bullet \quad \bullet \quad 36$$

$$87 - 3 = \bullet \quad \bullet \quad 84$$
