LEARN, PLAY & GROW IN GOD'S WORD

Noah's Ark Animal Logic Game

Ages 7-12 | 1-4 players or small teams | 15-25 minutes

YOUR MISSION

Use all six clues to find one correct arrangement of animal groups.

Read, think, play - then explain what you discover.

GET READY

Bible, printed play pages, scissors with adult help, and a roomy table.

HOW TO PLAY

1. Cut the six animal-group cards. Read all six clues on the mat.
2. Place each card in one of the six spaces; each space holds one group.
3. Use left and right as you face the page. Directly below means the same column.
4. Check every clue against your arrangement. Move cards until all clues agree.
5. Explain your reasoning, then check the separate solution with a leader.

Print player pages 2-3 at 100% / actual size. Keep the leader key from page 4 aside. Use an adult reader for younger players.
