REAL STORIES ABOUT SPREADING GODS WORD

The Day a Blind Woman Could See!

THIS STORY IS ABOUT: JESUS HAS POWER TO HEAL

BIG IDEA

Jesus opened blind eyes long ago in the Bible, and He still does it today! There is nothing too hard for Him, anywhere in the whole wide world.

THE STORY

Far away in the country of China, in a little village in the countryside, there lived a woman who could not see. For several years, her eyes had been completely blind. She lived in darkness and could not see the faces of the people she loved.

One day, some believers came to her village. They preached a wonderful message about Jesus! They told the people they could repent, be baptized in the name of the Lord Jesus, and be filled with the Holy Ghost.

The blind woman listened carefully. Even though she could not see, she could hear, and her heart began to fill with hope and faith. She believed in Jesus, and she was baptized in His name!

Not long after, the woman was praying together with other believers.

THE STORY CONTINUES

As they prayed, something extraordinary began to happen. She felt a warm, wonderful presence she had never felt before. It was the power of God!

Then the woman slowly opened her eyes... and she could SEE! Light and color and faces filled her eyes for the first time in years! It was not blurry. It was not just a little bit. She could see clearly and perfectly!

She could recognize the faces of her friends. She could see the village. She could even read! The eyes that had been dark for so long were now wide open, all because of the power of Jesus' name.

Later, doctors examined her eyes. They were amazed! They could not explain how a woman who had been blind for years could suddenly see again. There was no medicine and no operation that had done it. Only God could have!

The woman was so happy and thankful that she told everyone she met.

'Jesus healed me! Jesus opened my eyes!' People who had known her as the blind woman now saw her seeing, and they listened to her story.

Because of this one amazing healing, many people in that area gave their hearts to Jesus! The little church grew and grew. One blind woman who could finally see led a whole village toward the light of God.

This true story reminds us of something wonderful. The very same Jesus who opened blind eyes in the Bible is still doing it today, in China and everywhere else. No matter where you live, His power is the same, and nothing is too hard for Him!

TRY THIS!

Play a gentle 'Now I See' game! Have one child carefully close their eyes (or wear a soft blindfold) and try to guess a few objects by touch. Then have them open their eyes to see! Talk about how thankful we should be for our eyes, and how wonderful it was when Jesus gave sight to the blind woman in China.
