REAL STORIES ABOUT SPREADING GODS WORD

The Day the Sickness Disappeared!

THIS STORY IS ABOUT: JESUS IS OUR HEALER

BIG IDEA

Jesus loves us and has the power to heal us. When we believe in Him and obey Him, He can do wonderful things that doctors cannot even explain!

THE STORY

In the country of China, there lived a woman who was very, very sick.

She had a disease called cancer, and it had grown so bad that the doctors did not know how to help her anymore. They gently told her family to get ready for the worst.

The woman felt weak and tired. But deep in her heart, she did not give up hope. One day, one of her relatives told her about Jesus and about a place where people gathered to worship Him, called the True Jesus Church.

She decided to go and listen. At the meeting, the preacher spoke kind and powerful words. He explained how Jesus wanted to forgive everyone's sins, how people could be baptized in the name of the Lord Jesus, and how God would fill them with His Holy Spirit.

THE STORY CONTINUES

Something about those words touched the woman's heart in a deep way. She felt warm and hopeful inside. She knew this was true, and she wanted Jesus more than anything!

As soon as the service ended, the woman made a brave request. 'Please,' she said, 'baptize me right away!' She was so weak that she could barely stand, but she would not wait one more minute.

So they baptized her in water, in the name of the Lord Jesus. And as she came up out of the water, something amazing happened. She felt a powerful, warm feeling rush all the way through her body, from her head to her toes!

A little while later, the woman went back to the hospital so the doctors could check on her. They did their tests, looked at the results, and then they stared in shock. They could hardly believe it!

The cancer was gone. Completely gone! The sickness that had been so terrible had totally disappeared. The doctors had no way to explain it.

But the woman knew exactly what had happened - Jesus had healed her!

From that day on, the woman could not stop smiling and telling everyone the good news. 'Look what Jesus did for me!' she would say to anyone who would listen.

She spent the rest of her life sharing about her wonderful Healer.

Because she was so excited and so thankful, many other people came to know Jesus too and were baptized in His name. One healed heart helped fill a whole town with joy!
