REAL STORIES ABOUT SPREADING GODS WORD

Angels in the Night!

THIS STORY IS ABOUT: GOD SENDS HELP WHILE WE PRAY

BIG IDEA

When God's people pray, heaven is closer than we think! God sent angels to help, and a whole region came to know Jesus.

THE STORY

High up in the green hills of Northeast India lived a special group of people called tribal people. A missionary named Harry Scism came to tell them about Jesus, and God was doing wonderful things among them.

One night, while almost everyone was asleep, Harry stayed up to pray.

He knelt down and asked God to pour out the Holy Spirit on the people. 'Lord,' he prayed, 'send Your Spirit and fill these dear people!'

All around him, others were praying and seeking God too. The room was full of quiet, earnest prayers rising up to heaven.

THE STORY CONTINUES

Then Harry looked up, and his eyes grew wide with wonder. He saw something he would never forget. There were angels! Bright, shining angels were moving among the people as they prayed!

Harry watched in amazement. He knew that God was very, very near that night, and that heaven itself had come down to help them.

That same night, something glorious happened. Many people received the Holy Ghost and began to speak in tongues, just like in the book of Acts. Joy filled the whole place!

The good news didn't stop there. Like a happy fire, the revival spread quickly from village to village. It even crossed over into other countries nearby!

Harry never bragged or made a big fuss about seeing the angels. He simply believed that God was showing His power, just as He did long ago in the Bible.

Harry knew the angels weren't there to make him famous. They were there because God was working, and God deserved all the praise.

Even today, in that part of the world, there are many strong churches full of people who love Jesus, all because of that powerful time when God came down and angels filled the night.
