

The Beauty of Mercy

God is full of mercy. He is patient, kind, and ready to help those who come to Him with humble hearts. Mercy means that the Lord does not deal with us as our sins deserve. Instead, He shows compassion and gives us help, forgiveness, and hope. When I think about the mercy of God, I see how gentle and loving He is. His mercy reaches into my weakness and lifts me when I need Him most.

Because God shows mercy to me, I want to show mercy to others. I do not want to be hard, proud, or quick to judge. I want to be gentle, ready to forgive, and willing to care for those who are hurting. Mercy makes the heart tender and teaches it to love like Christ. In the mercy of God, I find comfort, healing, and peace.
