

The Gift of Kindness

God is kind, and His kindness is everywhere. He gives us sunshine and rain, food to eat, friends to love, and family to care for us. His heart is full of gentleness and mercy. When we spend time with Him in prayer and in His Word, His kindness fills our hearts and helps us share it with others.

We can show God's kindness every day. We can be gentle with our words, patient when things are hard, and quick to help someone in need. A smile, a kind word, or a helping hand can brighten someone's day and reflect God's love. When we choose kindness, we become more like Jesus, and the world becomes a more beautiful place for everyone.
