

6 Nature Craft & Keepsake Projects

Child-friendly outdoor projects made from natural materials for creativity, play, and simple everyday use.

1 Twig Picture Frame

Build a rustic frame to hold your favorite nature photo or drawing.

Found Materials:
Twigs, small sticks, natural cord, bark.

Use:
Display photos, artwork, or nature memories.

2 Pinecone Bird Feeder

Coat a pinecone in nut butter and seeds to feed our feathered friends.

Found Materials:
Pinecone, nut butter, birdseed, string.

Use:
Hang outside to feed birds and enjoy watching.

3 Acorn Cap Necklace

Turn acorn caps into simple pendants for a nature-inspired necklace.

Found Materials:
Acorn caps, beads or seeds, cord.

Use:
Wear as a necklace or give as a gift.

4 Reed Flower Bracelet

Weave soft reeds into a pretty bracelet with flower knots.

Found Materials:
Reeds or grass blades.

Use:
Wear, share with friends, or decorate keepsakes.

5 Pebble Tic-Tac-Toe Set

Gather pebbles and mark them to play a classic outdoor game.

Found Materials:
Smooth pebbles, cloth or flat bark, natural marker or paint.

Use:
Play games anywhere with friends or family.

6 Nature Weaving Board

Weave leaves, grass, and flowers to create a natural mini tapestry.

Found Materials:
Sticks, leaves, grass, wildflowers, string.

Use:
Display art, decorate a room, or gift.
