

Name: _____

1

MAKE A TEN

Ten is a helpful number when we add.

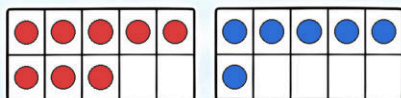

1 Look at the thinking

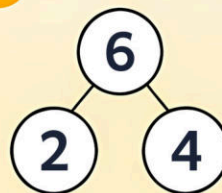

1 Start with the numbers

Start with 8 + 6.

2 Show them in ten-frames

3 Split to fill the ten

4 Put the thinking into equations

$$\underline{8} + \underline{2} = 10$$

$$10 + \underline{4} = \underline{14}$$

2 Talk about it

How many more
make 10?

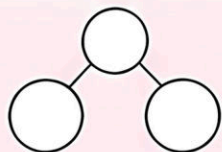

How did we split
the second number?

What is 10 and
some more?

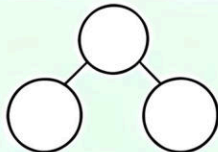

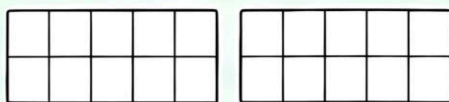

Why is 10 a helpful
number?

3 Try one

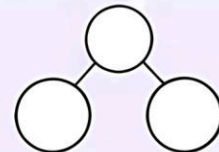

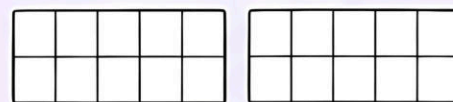

a 6 + 5

b 7 + 6

c 9 + 2

4 Write it

a 6 + 5 = 10 + ____ = ____

b 7 + 6 = 10 + ____ = ____

c 9 + 2 = 10 + ____ = ____

Children, obey your
parents in the Lord.
Ephesians 6:1
