Preparation: Bible, pencil and crayons. Use glue sticks and adult-supervised scissors for cutting activities. Offer oral responses or a scribe when appropriate. Artwork is a visual aid; distinguish Scripture, explanation, Apostolic interpretation and reconstruction.

God's Commands and Loving God

Tablets are a visual teaching reminder; Exodus 20 records spoken commands and does not itself describe the later stone tablets. Do not render invented writing as the actual commandments. Use age-appropriate examples of love, honor and truth; explain Oneness positively and avoid frightening consequences or unsafe demands for silence. Pictures are visual reminders; species, clothing, exact shapes and small scene details are reconstructions unless the passage states them. Offer pointing, oral answers or a scribe. Supervise all cutting. Read the cited verses before using the activities.
