Jesus Rose Again

The empty-tomb illustration shows two women as a selected portion; Luke names several women and others, so do not teach a total of two. The appearance picture likewise selects three listeners from a larger gathering. Jesus has a real living body; no ghost, wounds or frightening body is illustrated. Pictures are visual reminders; species, clothing, exact shapes and small scene details are reconstructions unless the passage states them. Offer pointing, oral answers or a scribe. Supervise all cutting. Read the cited verses before using the activities.
