Preparation: Bible, pencil and crayons. Use glue sticks and adult-supervised scissors for cutting activities. Offer oral responses or a scribe when appropriate. Artwork is a visual aid; distinguish Scripture, explanation, Apostolic interpretation and reconstruction.

Salvation by Grace Through Faith

Do not make the lesson an argument against obeying the gospel. God's grace is not earned; repentance, Jesus-name baptism and receiving the Holy Ghost are the Apostolic response to His saving message, not a competing purchase price. Read Titus 3:5 with its regeneration and Holy Ghost wording. Helpful-hands and family pictures are present-day applications, not named historical events. Pictures are visual reminders; species, clothing, exact shapes and small scene details are reconstructions unless the passage states them. Offer pointing, oral answers or a scribe. Supervise all cutting. Read the cited verses before using the activities.
