Preparation: Bible, pencil and crayons. Use glue sticks and adult-supervised scissors for cutting activities. Offer oral responses or a scribe when appropriate. Artwork is a visual aid; distinguish Scripture, explanation, Apostolic interpretation and reconstruction.

The Great Commission

The mountain picture selects three of the eleven listeners and does not claim the full count. Matthew's Galilean meeting and the ascension near Bethany are different recorded settings. Quote Matthew 28:19 without alteration; Apostolic teaching reads the command with Luke 24:47 and the Jesus-name practice in Acts 2:38, 8:16, 10:48 and 19:5. Use positive Scripture discovery, not speculative dates or hypothetical doctrinal disputes. Pictures are visual reminders; species, clothing, exact shapes and small scene details are reconstructions unless the passage states them. Offer pointing, oral answers or a scribe. Supervise all cutting. Read the cited verses before using the activities.
