Match the printed activity ID to its entry. KJV Scripture standard.

Preparation: Bible, pencil and crayons. Use glue sticks and adult-supervised scissors for cutting activities. Offer oral responses or a scribe when appropriate. Artwork is a visual aid; distinguish Scripture, explanation, Apostolic interpretation and reconstruction.

The Three Hebrew Children

The main art shows the named three AFTER rescue, so no fourth figure appears in that picture. Read the king's wording in verse 25 and his reference to God's angel in verse 28 without inventing an appearance or another divine person. Never ask children to enter fire, threaten them with punishment or promise identical rescue in every circumstance. Pictures are visual reminders; species, clothing, exact shapes and small scene details are reconstructions unless the passage states them. Offer pointing, oral answers or a scribe. Supervise all cutting. Read the cited verses before using the activities.
