

What happens next?

When you **make a prediction**, you use clues to guess what happens next.

1. **Read or listen to the short story. Then make a prediction!**
Circle what you think happens next and discuss why you chose it.

Kate's dog, Pal, loves human food. Sandwiches are his favorite. If there is food on the table and nobody in the kitchen, Pal will eat it all! One day, Kate was eating a turkey sandwich alone when the phone rang. She put her sandwich down and went into the other room to answer it.

Pal saw the sandwich on the table but decided to be good. He left the sandwich there for Kate!

Pal didn't notice that there was a sandwich on the table, and he kept on napping.

Pal jumped up and gobbled the sandwich off her plate. Then he drank some water from his dish.
