

Narrative writing: I'm famous

Imagine you are a child actor. Write a story about your life as a famous child star. What would your daily routine be like? What are the best parts of being famous? What problems may you have?

Remember to use descriptive language and vivid imagery to bring your adventures to life!

First, plan your narrative:

<p>Characters: Who is this story about?</p>	<p>Setting: When and where does this story take place?</p>
<p>Beginning</p>	
<p>Middle</p>	
<p>End</p>
