

The Team with One Rake

Read the short passage then answer the questions below.

Only one rake was left when cleanup time began after the picnic. The children took turns instead of arguing about who would use it first. The field was cleaned faster than anyone expected. What began as a small choice grew into a meaningful kindness. Shared work often goes better than hurried selfishness. That is how friendship often becomes strong.

1. What challenge or need came first?

2. How did someone help?

3. What was the result?

4. What lesson can we learn?
