## Max-s Good Habit

Max reads more than anyone he knows. He loves to read during all of his free time. His friends tease him because he would rather read than play video games, but his parents and his teachers are proud of him. They say reading is important, and it will help him learn about the world around him. They also tell him it is a good habit to read on a regular basis.

One day Max was reading a magazine article about volcanoes. He told his friends all about volcanoes and what causes them to erupt. The very next week, his class was assigned a science project about volcanoes. Guess who everyone wanted in their project group? Max-s friends weren-t teasing him anymore.

Max ended up being in a group with Liz, Anna and Josh. The assignment was to create a poster board with information about volcanoes and to build a volcano model.

Max made copies of the magazine article about volcanoes so his project partners could read about them too. They also went to the library to look for more information about volcanoes.
