

Personal narrative writing

Write about a time when **you accomplished something you were proud of**. Your story should have a beginning, middle and end. Be sure to include how you felt before and after. Also introduce and describe any other people that were part of your experience. Your narrative should be written in first person.

First, plan your personal narrative:

<p>Characters: Who is this story about?</p>	<p>Setting: When and where does this story take place?</p>
<p>Beginning</p>	
<p>Middle</p>	
<p>End</p>
