

Addition word problems

Helen the Hippo and her friends are preparing for Thanksgiving at Helen's house. Let's find out how much food they have prepared for the party.

1. Helen baked 435 chocolate chip cookies yesterday and 139 cookies this morning. How many cookies did Helen bake?

2. Pinky the Pig bought 36 apples while Danny the Duck bought 73 apples and 14 bananas. How many apples do they have altogether?

3. Dylan the Dog prepared 241 hotdog sticks in a huge brown bag. His father placed 426 more hotdog sticks in the same brown bag. How many hotdog sticks did Dylan and his father place in the brown bag?
