

Zoo visitors line graph

A zoo has a record of the number of their visitors for five days.
Draw a line graph using the given data.

Day	Number of visitors
Day 1	300
Day 2	700
Day 3	800
Day 4	450
Day 5	600

1. How many visitors were there on Day 4? _____
2. How many more visitors were there on Day 2 than Day 5? _____
3. How many fewer visitors were there on Day 1 than Day 4? _____
4. How many days did they have fewer than 500 visitors? _____
5. How many days did they have 600 or more visitors? _____
