

$3 \times 3 = \underline{\quad}$

Color in squares to solve the multiplication question.

$3 \times 3 = \underline{\quad}$

$2 \times 4 = \underline{\quad}$

$4 \times 5 = \underline{\quad}$

$3 \times 6 = \underline{\quad}$

$5 \times 2 = \underline{\quad}$

$6 \times 4 = \underline{\quad}$
