This year our school went to the zoo. The zookeepers were happy to welcome us.

1. There were 23 girls and 18 boys on the bus. Together with the 2 teachers and the bus driver, how many people were on the bus?
2. There were many different fish in 2 ponds at the zoo. The first pond had 31 fish, and the second pond had 23 fish. Together with the 9 fish in the aquarium, how many fish were there at the zoo?
3. On the right-hand side of the zoo, there were 23 tigers, 12 elephants, 9 horses and 43 birds. How many land animals were there?
