

Narrative writing: Mythical animals

Describe a mythical animal. Then imagine that you have been turned into that animal for a day. Write a short story about your adventures as this animal. What did you do? Where did you go? How did it feel to experience the world as this animal?

Remember to use descriptive language and vivid imagery to bring your adventures to life! Your narrative should be written in first person.

First, plan your narrative:

<p>Characters: Who is this story about?</p>	<p>Setting: When and where does this story take place?</p>
<p>Beginning</p>	
<p>Middle</p>	
<p>End</p>
